GO! FOLLOW OUR SIMPLE 5 STEP SYSTEM AND LAUNCH YOUR BUSINESS!

1. BUILD a list of candidates, frequently called your names list. Who do you want to help?
2. INVITE the candidates from that list to an appointment. Effective appointments are accomplished as 1 to 1 OR 2 to 1 meetings, House Events, Hotel Events or online meetings.
3. SHARE your personal excitement and press play on the Feel Better, Live Better, Give Better Faster video. Your upline will help answer questions. Have an enrollment form ready.
4. ASK. After you SHARE, simply ask them, "What did you like best about what you just saw?" our next question could be, "Are you ready to get started?" If yes, get them started as a customer, or SBP. If "No, for now," ask what other information they may want in order to make a decision. If the timing isn't right for them then ask, "Do you mind if I reach back out to you about this in 90 days? And by the way, who do you know that may be looking for something like this?"
